ATTENDANCE

The emphasis on attendance and punctuality in performance organizations is a reflection of the corporate learning nature of such classes. Additionally, students demonstrate respect for their peers as well as the activity through their punctuality and reliability.

- Students are expected to attend all class rehearsals punctually. Any absences must be excused according to school procedures. Unexcused absences and tardies will result in a lowered quarter grade.
- Students will be given ample advanced notice for any after-school sectionals or rehearsals. Such rehearsals are considered a part of course requirements, and attendance is required.
- <u>Attendance at all performances is required</u>. An unexcused absence from a performance will result in a lowered quarter grade and may result in loss of membership in the performance organization.

ACTIVITIES AND EXPECTATIONS

- Westfield High School Orchestras will present four concerts annually (see attached schedule.) All Orchestras will participate in the District XI Orchestra Assessment in March. Additional performances may be required of Chamber Orchestra members.
- All students are <u>strongly</u> encouraged to pursue private instruction on their instrument.
- All students are encouraged to audition for Senior District Orchestra Auditions, Senior Regional Orchestra Auditions and of course the corresponding event should you be accepted, and/or Solo and Ensemble Festival. Chamber Orchestra members are REQUIRED to participate in at least one of these events
- Orchestras with adequate instrumentation will have the opportunity to participate in Spring travel and/or competitive events.

Westfield High School Orchestras Grade Guidelines

Many factors contribute to the success of a superior orchestra program. The director of the Westfield Orchestras considers individual performance and group relationships to be the most important criteria for student evaluation.

Students' playing experience, musical background, opportunity for private lessons and good equipment vary too widely to allow performing ability to be the main factor in determining a grade. Working in daily rehearsals, preparation at home, working effectively with other group members, and observing good rehearsal procedures are qualities that every member can achieve in order to insure a high grade. Students will be evaluated on their individual progress based on the relationship of their ability to their performance, their ability to work effectively and cooperatively in group settings, and their observance of proper rehearsal procedures. Students are not graded solely on how well they play or on how high they sit in their section. Periodic evaluation of individual performance and other written material may be required. Students are expected to be thoroughly prepared for class at all times. Students will receive a letter grade for classroom work on a regular basis.

INDIVIDUAL FACTORS TO BE EVALUATED

I. QUALITY OF WORK IN DAILY REHEARSALS

• Individual performances of all parts including:

notes rhythms articulations dynamics tone quality

• Ensemble performance of parts including:

balance blend intonation musicality ensemble skills

II. QUALITY OF HOME PRACTICE EVIDENT IN DAILY REHEARSALS

It is recommended that students spend a minimum of 30 minutes a day practicing at home, or the amount of time necessary to accomplish the performance requirements of their particular ensemble. This home practice must be evident in daily rehearsals. Students are encouraged to study privately to maximize individual potential.

III. RELATIONSHIP OF ABILITY TO PERFORMANCE

- Students are expected to work to the best of their ability in each daily rehearsal.
- Students are encouraged to ask for extra help from an instructor of section leader when needed.
- Help is always available and students should take advantage of this opportunity.

IV. GROUP RELATIONSHIP

Students are expected to work effectively with the director and with classmates. This includes:

- Individual responsibility to the ensemble and the total program
- Perfect performance attendance; punctuality to class and performance.
- Perfect class attendance unless legally excused; perfect attendance at all extra rehearsals.
- 3 UNEXCUSED TARDIES = 1 UNEXCUSED ABSENCE
 - Note: **Unexcused absence** from a **performance** = grade being lowered by one letter grade.
 - o Excuses must be in writing and approved prior to the performance.

V. REHEARSAL PROCEDURE

- Students are expected to be attentive and cooperative in daily rehearsals. Students should have the correct music and have equipment in proper playing condition at all times.
- Proper posture and playing position should be strictly observed. Concentration level should be extremely high while playing and talking should occur only at the appropriate times.
- Musical instructions should be clearly understood and implemented immediately. Students are expected to mark parts when necessary and treat all music and equipment with respect.
