Please Be Advised:

In a recent review of the records and communications of James Madison High School and the James Madison Band, Fairfax County Public Schools concluded that the communication regarding the 2012-13 Fundraising Expectation was unclear and that it was ambiguous to the parent community as to whether the Fundraising Expectation was a requested donation to the James Madison High School Band Parent Organization or a required and/or mandated fee required by FCPS for participation in the band at James Madison High School.

The Fundraising Expectation was a tax-deductible donation to the JMHS Band Parent's Organization and not a FCPS Required or Mandated Fee. Reaching the Fundraising Expectation is not a requirement of participation in the band at JMHS.

If this was unclear to you and you made this payment under the presumption that it was a required component of participating in the JMHS band and do not want this money used as a donation to the JMHS Band Parents Organization, please return this original letter – no copies will be accepted - to the address below by September 27, 2013 and your contribution listed above will be refunded in full.
