

Fruit Sale

Each student is asked to sell at least **five** boxes. Hit up your teachers, neighbors, friends, relatives and co-workers. The fruit sale ends on Friday, 11/7. If you are wondering why you should sell fruit, here is a list of things that the profits from the fruit sale will help to finance:

- The overall cost of the spring trip for everyone (This is a biggie!!!)
- New music and new equipment
- Clinicians that we use throughout the year
- Social events: Senior party, pool party, spring awards banquet
- Senior gifts at the end of the year
- Awards

2015 Spring Trip is to Atlanta, GA April 23-26

More information on this trip will be coming out soon. Please note that we are happy to try and accommodate families with financial concerns but we need to be notified ASAP if help is needed or a payment will be late. Remember that we have many students in the band program and it is difficult to meet our payment deadlines when parents and students don't meet theirs. Please keep the lines of communication open on this!

Uniform Information

Marching Band Uniforms...

Thank you... Uniform volunteers and washers for all you did to get the kids ready for their marching performances. It was intense and back to back, but you jumped in and helped the team and the kids looked really great. I got lots of compliments and that is a true testament to how great our parent volunteers are. THANK YOU!

Concert Band Uniforms...

Concert season has started! The Frost Woodson concert is done and we are looking forward to Tiny Tots and the Winter Concert in December. If you have a freshman or new student in Concert Band I will be delivering tuxedo shirts and girls concert shoes. Please have them try them on to make sure they fit. We will need volunteers before and after concerts and that I may need some help with washing dresses periodically.
