## Carnegie Hall Concert Performance New York City, March 28-30, 2015

This spring the orchestra's will be travelling to New York City and performing at Carnegie Hall! If you missed the parent meeting, please click Carnegie Hall presentation . Click Go Student Tours to view a description of the trip itinerary. Go Student Tours is an approved FCPS vendor.

The total trip cost is \$1,269 per student based on a quad occupancy and \$1,489 for adults based on a double occupancy. The final cost will be determined by number of traveler sign-ups and will be announced in January. The cost is based upon 125 travelers. We generally have more travelers than that, so we anticipate the price to lower slightly. This includes two nights of lodging, six meals, Broadway show followed by a dinner party with the cast, a private Statue By Night cruise, admissions and guide service outlined in the itinerary, additional security for the student floors at the hotel, transportation to New York and back to Virginia, taxes, and gratuity. Most importantly, our musicians will attend world-class instructional clinics, receive assessments from Carnegie Hall conductors, and play a Carnegie Hall performance. The three clinics will be geared to the competency level of each LOS orchestra. The trip is open to all students who wish to attend. Any students needing financial assistance should speak confidentially to Doc.
