Dear [REDACTED]

I received your e-mail dated June 29, 2015, in which you implied that although FCPS does not have any documents responsive to your request for the budget sheet for school year 2014-15 (the "budget sheet") for the Annandale High School Boosters, that the Annandale High School Boosters has the budget sheet. FCPS does not have the budget sheet and Annandale High School Boosters have confirmed to us that they do not have the budget sheet, either; there are no documents responsive to your request.

Sincerely,

Your 6/24/2015 response to my previous request dated June 18, 2015 for the budget sheet for school year 2014-15 for the Annandale High School Orchestra Boosters is duly noted as "it does not exist". This is in addition to the earlier denial in March by Mr. Foster, Division Counsel- "quite simply we do not have to produce anything we don't prepare or possess" which I already pointed out was an incomplete portrayal of your responsibilities under Virginia FOIA.

Pursuant to the Virginia Freedom of Information Act, I would like to see the budget sheet prepared by the Annandale High

6/30/2015

School Orchestra Boosters for school year 2014-15 that they were required by school policy to create and submit to the principal as per Regulation 5810.8, an item the principal is required by school policy to have. The budget sheet I am interested in is the one mentioned in their attached Bylaws on page 3, Article 6, Section 6.01. The budget sheet the Executive Board is required to present to the membership. The other FOIA request I just submitted today for meeting minutes refers to the "minutes" in Article 5 Section 5.03, by the way.

Email is preferred.
