Hello again Sona,

Thank you providing an emailed copy of the Temporary Preliminary Injunction. I intend to comply with this order immediately. However, in doing so, I must alter the original post in order to remove the offending content. Doing this may materially damage the evidence contained therein, so I must be very careful to preserve all existing data before making any alterations.

I am performing a full backup of the existing database now, for absolute record preservation, and will comply with the injunction as soon as it is feasible to do so without possibly destroying evidence.

I expect to be in full compliance of this order no later than 5:00pm EST today.

If you can, please mail a copy of the original court order to:

Cary Wiedemann

8665 Sudley Rd #167
Manassas, VA 20110

If you have any further questions or requests please don't hesitate to ask.

Thanks and enjoy!
