## Murder for Hire and Questionable Suicide's in the City of Alexandria and Northern Virginia

This puts together several known facts – through the life of Janice Wolk Grenadier and different News articles and book facts from “Bullied to Death” the Chris Mackney story, Edited and Published by FamilyCourt.com, INC attorney Michelle McDonald, written by: Mike Volpe. That the obvious is being covered up by the FBI, the Judiciary, the Government and Elected Officials who are using there personal “POWER and FINANCIAL POWER” to illuminate those that they find annoying or whom may get in their way through Murder for Hire or Questionable Suicides, illegal jailing that when put together it **shows a pattern and practice of the “Old Boys Network” in the State of Virginia.**

**Pete Scamardo in 1968 hired a hit man** Charles Harrelson to kill his child hood friend Sam Delegia Jr, which brings the question was the idea of how to get rid of your spouse / or other brought to the Old Boys Network in the 70's by Pete Scamardo as the hits known began in or around 1984 with Dr. Rixsey. That by the 1990's in two Commercial / Land Development Association known Nationwide with headquarters in the City of Alexandria Pete Scamardo was President, Chairman on the boards as an active citizen – hiding his true identity and past criminal history from the locals. This started to unravel, to be exposed through the divorce of his daughter to **Chris Mackney who would take his own life in December of 2013** from the bullying of Pete Scamardo, his attorneys whom he paid handsomely and Judge Bellows who today is the Judge for Charles Severance. That Judge Bellows by all apperance in the news and record has disallowed any negative information or **truth** on the spouses / third parties or issues the victims may have been having with others prior to opening their front doors in the City of Alexandria and being MURDERED.

That where Janice Wolk Grenadier live's in a circle around Janice thier have been **5 known Murder type hits** – Dr. Rixsey, John Doe, Nancy Dunning ( which you will read came to Janice's home twice to check on Janice, now believed Nancy knew more and was from what Nancy said afraid of what could happen and maybe knew what was going to happen to her) Ron Kirby and Ruth Ann Lodato. That all five have strong connections to the Old Boys Network.

**July 1, 1984** Who shot **Dr. Robert Rixse / Murdered** for opening his front door. We know who hired the killer – the boyfriend of his x-wife. But what is the evidence of who shot him? Did the bullets that killed Dr. Rixse in 1984 match the bullets of Nancy Dunning and others? Where they tested? The story the police released was the murderer with no evidence was a man floating in the Potomac dead whom had Mafia ties. Easy for the City of Alexandria police and the FBI as they consider this murder solved.

We then **have unknown date and name of John Doe Murdered** for opening his front door in the City of Alexandria, also connected to the Old Boys Network and Murdered, whom has received no real press that can be found.

Then on or around **September 3<sup>rd</sup> of 1997** that on an unexpected cab ride to the airport as Janice's x-husband David Grenadier (son of the late Judge Albert Grenadier and step-son of Divorce Lawyer Ilona Ely Freedman Grenadier Heckman of Greanadier Anderson Starace Duffett and Kieser) as he was suppose to take Janice to the airport and was late, Janice was outside waiting and not in her home. Janice's x-husband as Janice had called him to find out where he was – started yelling at her and saying a cab was on the way. Janice can persume now his disappointment the money it appears he and Ilona spent to have Janice killed has come back to haunt them. When Janice got in the cab and the driver could hear David yelling he said to Janice hang up the phone, hang up the phone if you don't hang up the phone I will pull over and hang it up for you. Janice hung up the phone, the driver than said we can take care of that for \$5,000.00 – you don't have it – then \$2,000 we can work it out. Janice was handed a phone number, Janice tossed it in the trash can thinking it had been a set up – Janice now believes with out question it was to be a hit and today she was to be dead. Janice has never been questioned by the City of Alexandria Police or the FBI even though she has reached out several times with her information.through Commonwealth Attorney Brian Porter & Sheriiff Lawhorene (who had her tourtured in jail)That in February / March of 1998 Nancy Dunning who would open her front door in 2003 came to Janice on different occations to check on her safty. The question know arrises was she aware of the outcome that was meant for Janice in September of 1997.

**November 1997** That Lawyer Ilona in collusion with David Grenadier, Andrea Grenadier, Robin Grenadier passed a rumor around that caused David Grenadier to pull a gun in the home with Janice's girls in the home.

**February 2003** the **Suicide of Megan Owen Barry** wife of Fairfax County Sheriff Stan G. Barry – The Washington Post reported that at 12:30 am Sheriff Barry had stepped out and when he came back his wife had committed suicide. The Blue Wall calls this a Murder, but of course no investigation.

**December 2003** the **Murder of Nancy Dunning** wife of City of Alexandria Sheriff James Dunning – never questioned “oops” say the Police when Dunning dies in South Carolina a few days after Janice Wolk Grenadier on the radio questions the investigation or lack of investigation into the Murder.

**March of 2011** – City of Alexandria police, Fire and Ambulance come to the home of Janice Wolk Grenadier while she is on travel – **she is supposedly “DEAD” in the home?** There is no record of this in the City of Alexandria. Two neighbors have confirmed this with Janice and the one who convinced the police to not hack down her door but to allow him to open it with the key he had. It was not till June of 2011 when Janice’s neighbor shared this with her she became aware of it. When researched thier is no record yet two other neighbors have confirmed this.

**December 2011 / February 2012** – **Deliberate tampering with knowledgeable intend of the Grand Jury** by Judge Potter and Commonwealth Attorney Randy Sengel

**October 2012** – Janice’s documents submitted into the record, when she went to check that they had been filed – she is told to take them or they would throw them out, Janice refused to take them and then they are mailed back to her by Judge’s Kemler, Dawkins and Clark. The box about 4” thick has been x-rayed and shows the documents but, never opened still In the box

On October 13, 2012 in the Mail Plaintiff received the following Box which has not been opened from the Circuit Court of Alexandria

**December / January time frame of 2012 & 2013** Lawyer Ilona in collusion with others – as a favor or hired a gentleman that goes by the name of Mark Stuart who informs Janice he was to drug Janice and get sexual inappropriate pictures of Janice, or to rape one of Janice’s daughters, or to plant drugs on Janice’s daughter or in the home to give Circuit Court Judge’s Kemler, Dawkins and Clark, information to make JWG incompetent to file any other documents. Mr. Stuart said the Lawyer Ilona will go to any length to harm Janice or Janice’s daughters. That Lawyer Ilona will continue to do what she can to distract Janice from becoming successful and moving on with Janice’s life. That Lawyer Ilona is a “Greedy Jew” that all Lawyer Ilona’s actions are deliberate to cause harm to Janice. **When the Alexandria Police were called they informed Janice they were instructed by Commonwealth Attorney Randy Sengel to not take any reports of issue.**

**November of 2013** the **Murder of Ron Kirby** – Opening his front door – Shot and Murdered.

**December of 2013** – Ilona Grenadier Heckman and Presidential Candidate Loretta Lax Miller do a “HATE OF CATHOLICS, CHRISTIONS et al” Blog – [jwngrenadierisalair.blogspot.com](http://jwngrenadierisalair.blogspot.com) taken down while Janice is in jail.

**February 18, 2014 - FBI cautions residents of public corruption in Va.** - <http://www.wusa9.com/story/news/local/2014/02/18/fbi-cautions-residents-of-public-corruption-in-northern-virginia/5385877/> WASHINGTON (WUSA) -- The Federal Bureau of Investigation's (FBI) Washington Field Office is looking to identify any public corruption occurring in Northern Virginia.

The FBI says public corruption can occur "when a public official, at any level of government – local, state or federal – does any official act in exchange for money, or other free goods or services, for private gain. Public corruption could also include public employees who take something of value for their own personal gain, thereby violating the public's trust." The FBI says many of their investigations into public corruption start once they receive a tip from someone. If you want to help identify potential criminal activity, the Washington Field Office has set up a Northern Virginia Public Corruption Hotline at 703-686-6225 and you can also e-mail them at [NOVAPC@ic.fbi.gov](mailto:NOVAPC@ic.fbi.gov).

[NOVAPC@ic.fbi.gov](mailto:NOVAPC@ic.fbi.gov)

Some of the examples of corruption include:

- Government officials such as DMV employees, city inspectors, taxing or zoning assessors or other regulatory agency employees, or even town councils or mayors;
- Contracting officials at all levels, including those who manage government contracts or regulatory permits; or, school resource officers who manage school accounts;

- *Local officials colluding with real estate investors to rig the bidding process at foreclosure auctions;*
- *A person representing the judicial branch - a judge, member of the jury or court personnel; or,*
- *A person representing law enforcement, who steals drugs from criminals, embezzles government funds, falsifies records or smuggles contraband*

The FBI has now refused to investigate Clinton's emails after the following:

- Comey tells the press he has prosecuted many for less and sent them to jail
- Loretta Lynch then meets with Clinton privately in her private plan
- It is reported that Clinton threatened Lynch with her life if it didn't go away
- Comey two days after the meeting in the plan reports that Clinton had "no intent it was only carelessness" did not think she should be charged with any criminal intent
- On or around October 26, 2016 the case is re-opened

February 2014 the Murder of Ruth Ann Lodato for opening her front door, daughter of Judge Giammittorio & sister to Judge Bob Giammittorio

October 9, 2014 The FBI & VA Senators in private discuss Corruption in Virginia The Result to date is Two Supreme Court Justices- Chief Judge Cynthia Kinser and Justice Leroy Millette Jr. resigning, Judge Potter retiring early, Commonwealth Attorney Randy Sengel retires at a young age. The Old Boys Network retires them early with all benefits - by all appearance as a "Thank you" for hiding the Murder by Hire and Suicides

October 11, 2014 – Breaking news Senator Mark Warner and aid to Governor Terry McAuliffe guilty and admit to offering a Federal Judgeship to daughter of Phil Puckett

October 14, 2014 – Janice exposes on Blog VaLaw2010.blogspot.com information of corruption by Senator Warner

October 22, 2014 – November 12, 2014 – 22 days Janice illegally jailed and tortured in the City of Alexandria, Solitaire Confinement till 5pm on Election day Tuesday, November 4, 2014. **Illegally Jailed** to: 1. Silence her and stop exposure of e-mails between herself and Mark Warner's office on the corruption in the Judiciary. Janice went to Mark Warner for help instead he had her jailed, at the same time it was exposed his "Pay to Play" with a Federal Judgeship for a favor. Being ignored by the Senate Ethics Committee. 2. To Bully / scare her into either committing Suicide or to turning the other check of the corruption and not holding Virginia and the Federal Judiciary, the Government and Elected Officials accountable, as well as the criminal acts and actions of the Old Boys Network in Virginia

That the law is very clear: That Judge Clarks actions have turned back time. Giving me less rights then a slave. Taking someone under Title 42 US Code 1994 and Title 18 US Code 1581(a): Whoever holds or returns any person to a condition of PEONAGE, shall be fined under this title for imprisoned not more than 20 years or both. That on October 22, 2014 I was placed in jail for failure to pay legal fees in 30 days which is a violation of my Thirteenth Amendment "Neither Slavery nor involuntary servitude, except as punishment for a crime where of the party shall have duly convicted, shall exist within the United States, or any subject to their Jurisdiction". Furthermore the right by placing me "under" a state Peonage / Involuntary Servitude violating the Fourth Amendment right by malicious prosecution, false imprisonment and unconstitutional arrest. This violation of my Eight Amendment Right as to Excessive Bail which in this case constitutes "Restitution Bail" which further shows the knowledgeable malicious intent to silence me till the election was over on November 4th. 2014. Bias, Retaliation and Retribution to further line the Lawyers pockets by Judge Clark.

Further: The system is one where the Lawyers and Judges have set it up to protect each other and line each others pockets with Cash.

December 2015 – Defendant Janice Wolk Grenadier Stands up and speaks out against the Criminal Acts of Judge Nolan Dawkins in Regard to his re-appointment - In front of the Courts of Justice in the Virginia Legislature – Several other Victims also stood up and spoke out about the criminal actions of other Virginia Judges Courts of Justice A group of Elected Officials / Lawyers who practice in front of these Judges

VOTED ALL JUDGE'S BACK INTO THERE POSITIONS KNOWING THE CRIMINAL ACTS & ACTIONS OF THE JUDGES

The Professional Code of Responsibility of the Lawyers on the Courts of Justice Rule 8.4 Misconduct It is professional misconduct for a lawyer to:

- (a) violate or attempt to violate the Rules of Professional Conduct, knowingly assist or induce another to do so, or do so through the acts of another;
- (b) commit a criminal or deliberately wrongful act that reflects adversely on the lawyer's honesty, trustworthiness or fitness to practice law;
- (c) engage in conduct involving dishonesty, fraud, deceit or misrepresentation which reflects adversely on the lawyer's fitness to practice law;

**The Courts of Justice further – GUARANTEES THE JUDGES** against complaints being investigated by HAND SELECTING THE JIRC ( The Judicial Inquiry and Review Committee where complaints are filed against Judges – and never investigated – Read More at [www.proseamerica.blogspot.com](http://www.proseamerica.blogspot.com) the \$602,000. SCAM on the Virginia Citizens  
Guaranteeing all Judge's the ability to ignore the law and rule to protect their own and as Judge Clark stated very clearly to his good friend Attorney Michael Weiser

**"I HAVE NO CHOICE BUT TO LET HER OUT OF JAIL, I AM SO SORRY I CANNOT COLLECT YOUR LEGAL FEES FOR YOU"**

**The Appearance and the collusion is that all Judges in the State of Virginia** have a Secret "Handshake" of "You Scratch my Back, I will line you pockets with WINS in the court room for your Clients – Call me – Buy me Lunch or Dinner or what ever – but, we will not turn on our own"

**So what about those young Men and Women who go off to war to fight for the Rights our Constitution Give's Americans of Due Process?**

**December 19, 2014** Letter exposed that **Michael Gardner was looking for someone to hire to Murder young girls** he had molested and found guilty with DNA – yet let out of jail by Chief Justice Cynthia Kinser.

**December 31, 2014** Chief Justice Cynthia Kinser with no explanation to retire early (January 31, 2022 – expiration of her appointment) The Appeals Court of the State of Virginia had denied Michael Gardner's appeal / release – Cynthia Kinser let him out of jail by all appearance for the Old Boys Network, to hire a hit man to kill the young women he had molested prior to his re-trial. She will receive her pension and perks for cooperating and doing the bidding of the Old Boys Network for all her years.

**January 23, 2015** - The Virginia Republican Party wants the U.S. Senate to investigate whether Democratic Sen. Mark Warner violated federal law when he discussed possible job opportunities for a former state senator's daughter. GOP Party Chairman Pat Mullins sent a letter Friday to the U.S. Senate Select Committee on Ethics asking it to investigate Warner. He was part of a group of Democrats that tried unsuccessfully to prevent former state Sen. Phil Puckett from resigning last summer. Puckett's resignation gave Republicans control of the state Senate. Warner has acknowledged he "brainstormed" with Puckett's son about possible job opportunities for Puckett's daughter but did not make any explicit job offers. Federal prosecutors indicated in December their investigation into Puckett's resignation was closed, they would ignore the criminal actions. That Janice has followed up with a complaint to the Ethics Committee by all appearance along with the Judiciary are ignoring these facts, Murder / Suicides et al.

**August 31, 2015 Janice Intervenes** in the Charles Severance Case

**September 2015 Judge Bellows "ORDER" Denies Janice Intervene** with no hearing, and Orders Clerks to take no other filings by Janice

**September 2015 Janice Intervenes in the Michael Gardner case – Michael Gardner takes a plea.** The Old Boys Network cannot afford two Murder for Hire case's going at the same time. The question should be for all – What is the back room deal the Old Boys Network made with Michael Gardner for the plea and his silence.

On or around **October 3, 2015** we come full circle Charles Severance will be tried for the Murders of Nancy Dunning, Ron Kirby and Ruth Ann Lodato with a police office having told Janice they had no real evidence that supports him doing it, that the City of Alexandria was in the process of creating the needed evidence to support a conviction. That Judge Bellows who assisted Pete Scamado's Murder / Suicide of Chris Mackney will preside over the Charles Severance trial. That Judge Bellows understands and will disallow evidence that may find Charles Severance innocent is without question, he has shown this in his pre-trial Orders. That Judge Bellows brings a Bias in support of Murder / Suicide into the courtroom cannot be denied after reading "Bullied to Death". That Judge Bellows is no different than the Judge's that have ruled in Bias, Retribution, Retaliation with the knowledgeable intend to ignore the law and to protect the criminal acts of David Grenadier and Ilona Ely Grenadier Heckman are obvious in all documents and Orders filed in the courts. **That Chris Mackney, Charles Severance and Janice Wolk Grenadier and MANY OTHERS have in common is the Old Boys Network has made it there mission to kill or ruin there lives to protect one of there owns criminal actions.**

No doubt the Murderer needs to be stopped, yet the person who paid him to kill the above should be held accountable – No one will out the Murderer for hire – because for free he will take that person out. It is the belief of Janice he does not kill if he has met you – and talked to you –

He kills anonymous only, because if he didn't Janice believes he would have killed her by now, but, that she has met him and he has spared her, as Mark Stuart did.

The "Old Boys Network" is an evil Gang of men and few women with no sole. They consist of the POWERFUL and WEALTHY of the Judiciary, the Government and Elected Officials in Virginia and the District of Columbia. They believe they are above the law, and the truth supposedly your best defense does not exist around them, that they are no more than a bunch of low life bully's with money, and no class. The leaders in this "Gang" are Judge Donald Haddock and Judge Donald Kent at least in the case of Janice Wolk Grenadier. In the case of Chris Mackney it was Judge Bellows, who has now overlapped into Janice's with the cover up of the hits and the trial of Charles Severance. That the following law firms have dirty hands in collusion of these actors: Grenadier Anderson Starace Duffett and Kieser, Keller Heckman, DiMuroGinsberg, Troutman Sanders aka Mays & Valentine, BWW Law Group aka Bierman Geesling Ward and Wood, Parker Simon & Kokolis LLC, and other's that are known and unknown.

**Virginia Rated 47th and 49th in Corruption - Daily Beast rated Virginia second most Corrupt State -**

**Yet to date October 3, 2015** Janice has not been interviewed by the FBI in regard to the information in this article even with her many phone calls to them – for help to protect herself and her girls.

**Update:** Charles Severance was found guilty of the 3 killings with no real evidence.

**Update as of October 30, 2016** which does go back and forth –

**Divorce Lawyer Iona Grenadier Heckman in Collusion with Judge James Clark filed a lawsuit to foreclose on Janice's home with illegally gotten legal fees by DiMuroGinsberg and Michael Weiser. She hired Heba Carter a lawyer who went to the University of Richmond.**

**We have learned the University of Richmond is where in 1987 Judge Donald Kent best friend to Judge Donald Haddock was President of the School and still today is on the Board.**

**James Comey and Senator Tim Kaine were both adjunct Professors at the same time by all appearance at the University of Richmond.**

**That the corruption and the illegal acts and actions of Judge Clark can be found at [www.valaw2010.blogspot.com](http://www.valaw2010.blogspot.com) in the case filed against him in the City of Alexandria for injunctive relief for his financial conflict along with other criminal activities.**

That on Friday October 21, 2016 DOJ Joesph Guzinski stated very clearly his not investigating the criminal acts and actions was his concern for his own life, the retaliation and retribution as well as when asked who is supervisor was he stated "The White House" not the Department of Justice Or Loretta Lynch.

Outline FBI / DOJ corruption / Bankruptcy Cover Up and others

1. Janice has been reporting this corruption on a regular basis - I know how bad it is and how horrid I have been treated and could never understand and I knew everyone was being paid off or afraid - but, I guess I never knew the extend -
2. On October 11, 2016 - Thomas Gorman (Bankruptcy Court Trustee) was at the table and insisted with this other women - that she had been ripped off by her lawyer - that he was going to get the DOJ - Joseph Guzinski to investigate.
3. DOJ Mr. Guzinski came and interviewed her and Mr. Gorman
4. **On October 13, 2016 in court.** I was 3rd on the docket, at or around 1.25 pm told I would be called by Mr. Gorman in about or within 30 minutes
5. First in court was the non-contested arguments
6. Then Mr. Gorman calls a women's name I unfortunately, did not pay attention to the name - will need to figure it out - DOJ - Mr. Guzinski goes up - he doesn't want anything to do with it. Mr. Gorman fights for the women - who does not show up in court so losses by default - but, Mr. Gorman puts on fight to have it continued - to give it time to be investigated - he fights with the Judge that she should be heard. He believes her and he thinks she was taken advantage of.
7. I ask DOJ Mr. Guzinski to stay in the court, as I am to be heard in the next half hour. He agrees turns around to stay - Mr. Gorman and the Judge had seen me do this and had looked me in the eye -
8. I believe one of them signaled him not to stay - after he turned around and was on his way to sit - because he then abruptly turned and said he couldn't. I then asked if he had a card.
9. I now am sure Mr. Guzinski was motioned for him not to stay by either Thomas Gorman or Judge Kenny

10. I was then left to be heard at the end. But, it wasn't just the end. The Judge took a break, it was to be 10 minutes, Thomas Gorman went running out of the court room - I believe and the appearance was to the Judge.
11. It was about a 20-minute break and the hearing started. The hearing was held after 4 pm - after court hours so no one else could hear. The hearing was bulling to me and the ruling by the Judge was unreasonable with no questions of substance asked of me. At the end I stood and ask for the Judge's recusal he refused.
12. I did get Exhibits into the record that show the TRUTH and the corruption. Shows the pattern and practice and the criminal acts and actions.
13. I would learn after research that Judge Kenny went to the University of Richmond. the one common denominator of all.
14. On Friday, October 14, 2016 I filed for the Judge to recuse and Thomas Gorman be removed I file Criminal Claims sheets with back up against Judge Clark and Ilona Grenadier Heckman. I filed a Notice to be heard and was denied.
- I take a copy to the Department of Justice as well as other Documents to Mr. Guzinski
  - I then e-mail other information and request a meeting on Friday the 14th with Mr. Guzinski of the DOJ
  - Mr. Guzinski refuses the meeting saying he would read everything and then get back to me.
  - I continue sending Mr. Guzinski information / things
  - Now on Friday, October 21, I have evidence that is confusing and want to meet with him to show it to him, it is time for a meeting and he is ignoring me. I stop by his office late in the afternoon. **He YELLS at me.**
  - That he is not going to meet with me and any information I have e-mail it to him. When I state "This is my Life" in a very calm and professional manner he states - angry and all red faced yelling at me "NO - THIS IS ABOUT MY LIFE - ME" I was extremely taken back. shocked - to me it was one more person saying I was a NOBODY.
  - When I left the office since I had not recorded it - I sat down and wrote the whole thing out, that he was more concerned about himself and how this would outcome him then me. That he was afraid of the Retaliation and Retribution on him, then what I had been through. That he wasn't going to help me - because he most likely at or around 50 was to afraid of loosing his pension - is what I wrote. That he didn't give a shit about me - he was only concerned about himself and the retaliation and retribution against him was not worth doing the right thing.
  - As you may or may not know I reached out to everyone -

15. On Sunday night October 23, 2016 ( and now I am going to work back words with the evidence that shows the collusion of Gov. McAuliffe and the DOJ / FBI.

16. The two articles released late on the 23rd show the collusion and the payoffs to the officials in the FBI - as everyone knows Terry McAuliffe was the fund raiser and got Bill Clinton elected to the President. He was supposed to be 1st choice for VP. The plan was he would run for Governor - and it was just a stepping stone - I have been loud and standing up and speaking out a problem for all of them since 2010. That they couldn't control. As you can see in the above links

17. Clinton Ally Aided Campaign of FBI Official's Wife – WSJ \$675,000.

18. <http://www.fireandreamitchell.com/2016/10/23/virginia-gov-terry-mcauliffe-donated-467500-to-campaign-of-wife-of-senior-fbi-official-who-oversaw-clinton-email-probe/>

VIRGINIA GOV. TERRY MCAULIFFE DONATED \$467,500 TO CAMPAIGN OF WIFE OF SENIOR FBI OFFICIAL WHO OVERSAW CLINTON EMAIL PROBE

Virginia Gov. Terry McAuliffe is a Clinton goon and as corrupt as it gets. So it should be no surprise that McAuliffe donated \$467,500 to campaign of state senate campaign of the wife of an FBI official. You say why is this a big deal? Because that senior FBI official is Andrew McCabe who oversaw the Hillary Clinton email probe. Commie Comey's corruption is looking much more clear these days.

The political organization of Virginia Gov. Terry McAuliffe, an influential Democrat with longstanding ties to Bill and Hillary Clinton, gave nearly \$500,000 to the election campaign of the wife of an official at the Federal Bureau of Investigation who later helped oversee the investigation into Mrs. Clinton's email use.

Campaign finance records show Mr. McAuliffe's political-action committee donated \$467,500 to the 2015 state Senate campaign of Dr. Jill McCabe, who is married to Andrew McCabe, now the deputy director of the FBI.

The Virginia Democratic Party, over which Mr. McAuliffe exerts considerable control, donated an additional \$207,788 worth of support to Dr. McCabe's campaign in the form of mailers, according to the records. That adds up to slightly more than \$675,000 to her candidacy from entities either directly under Mr. McAuliffe's control or strongly influenced by him. The figure represents more than a third of all the campaign funds Dr. McCabe raised in the effort.

Mr. McAuliffe and other state party leaders recruited Dr. McCabe to run, according to party officials. She lost the election to incumbent Republican Dick Black.

19. In May of 2016 - Terry McAuliffe was going to be speaking in Alexandria - I decide to show up. My lucky day - the news media for all stations was following him around like crazy. Not the sound, but, my picture as you can see in this video was everywhere - you will notice the box and the picture. The box is the box of un-open evidence that I have and the picture is of the Mark Stuart who was hired - under Judge Clark's direction to help him find me incompetent. When the Alexandria Police were called - I was told the Commonwealth Attorney - Randy Sengel said they were not allowed to take any police reports from me. Same YouTube as above:

- You tube me and Terry McAuliffe <https://youtu.be/kQ1hRnaxvRc> You will see in this that I am showing him my evidence and the picture - the media according to them had deleted all the verbal conversation of me and him. This came from ABC

20 - The articles of the \$120,000 from a Chinese business man and the other video that ABC gave me Youtube - <https://youtu.be/JevLIGOtQBE>

- The Articles - <http://freebeacon.com/issues/doj-investigates-mcauliffe-donation-chinese-clinton-backer/> <http://freebeacon.com/issues/doj-investigates-mcauliffe-donation-chinese-clinton-backer/> As you can see on my Facebook page most of the links to this story are corrupt

21. BELOW is a link to the FBI one of the many conversations I have tried to have with them - I caught this one agent off guard - she even gave her page # - but again she did not ever follow up with me - no matter how many e-mails etc - Unfortunately I was late to the record everything Above you will see a link to the FBI for 06-08-2016 - with me very comely telling the investigator - what is happening. I also have the e-mails showing that I sent the information in.

22. I start googling and doing outlines on all he players and learn the common ground is the University of Richmond and The University of Richmond law School also known as TC Williams Law School. That in googling adjunct professor you learn they make between \$5,000 - \$20,000. I have learned privately they make \$35,000 - \$50,000

23. I also learned that Judge Kent King or head of the Old Boys Network was the president of the school in 1987

24. Tim Kaine was an adjunct Professor for 6 years

25. James Comey was an Adjunct Professor, since being with the FBI speaks there regularly (Paid), has won awards from the school which brings gifts, and then paid for commencement speech May of 2016.

- James Comey would then go on to do several interviews with the press that he had put several people in jail for far less then the criminal actions of Hillary Clinton
- James Comey came to Richmond from NYC - where he worked with Loretta Lynch
- James Comey stated it was his job to give the information to the DOJ and there job to decide the charges
- James Comey after Bill Clinton met with Loretta Lynch on the tar mac became the spokes person for stating "HRC did nothing wrong was just sloppy" in direct conflict of what he had said in the past

The above evidence I believe shows without a doubt the corruption and the purchase of the FBI / DOJ why we can not get any help in our cases and have nowhere to go for help

26. We also don't want to forget about the cover-up of Michael Gardner and how our Virginia Legislature and the FBI kept silent the removal of our Supreme Court Justice Cynthia Kinser as she let him out of jail so he could hire ah Hitman to kill the girls.

27. Further in DC you don't want to forget about the removal of Judge Richard Roberts after RAPING a 16 year old Victim – the Judges have ignored his crimes and his retired with full pay and benefits

- He was closely involved in the Cover-Up of my cases in the District of Columbia Federal Court - He was retired with full benefits and we will all pay for his fun and freedom for the rest of his life.
