

FAIRFAX COUNTY, VIRGINIA

Largest Employers

This list of the 50 largest employers in Fairfax County excludes public-sector and retail entities. Employment figures are for company facilities in Fairfax County only and are based on quarterly employer reports to the Virginia Employment Commission. Additionally, these numbers include employees, not independent contractors. Multiple locations and branches of the same company located in Fairfax County were added together to generate the total number of employees. Type of Business description for each firm is based on two-digit North American Industry Classification System (NAICS) codes. Companies may have business activities in other two-digit NAICS sectors. Companies with headquarters in the county appear in **boldface**.
